

# NBV 190

The NBV190 has the classic Numatic styling and quality, incorporating our specially designed 36V lithium polymer battery pack, providing excellent performance and total freedom of operation.

There are many occasions when cordless professional cleaning is the most simple solution in difficult circumstances, avoiding any conflict with the public and concerns in complying with increasing issues of Health and Safety and increasing regulations in such applications as the cleaning of aircraft.

NBV190 is supplied as standard with two battery packs, dedicated universal charger set and full accessory kit.

Model	Motor	Power	Airflow	Suction	Capacity	Runtime	Weight	Dimensions
