

NuSpeed *The Super Compact Size*

The LoLine will put truly usable power, convenience and efficiency in the hands of the operator, giving superb results.

The LoLine rotary has been designed specifically to meet the demand and raise the handling and performance levels to an exceptional user friendly standard.

Our LoLine NLL332 can claim performance characteristics equal to that of bigger, more industrial machines, yet with an ease and speed of operation that will immediately endear it to any user.

A full range of 33cm (13") brushes and pad drives allows the machine to be used for all of the primary floorcare functions.

Solution tank option

Flat folding for easy storage

• Pads and Brushes

Full range of 33cm (13") brushes and pad drives for all primary floor care functions.

• Easy Storage

Only 18kg in weight, compact size and folding design means easy and convenient to move and store.

• 200rpm

200rpm means versatility but equals performance of bigger more industrial machines.

NLL332
