WEEKLY MAINTENANCE CHART

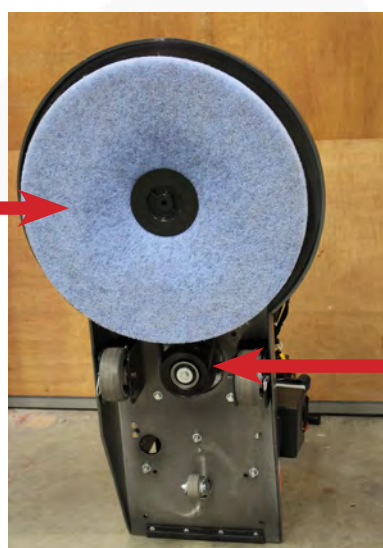

PE420BUWMVNo1

PIONEER ECLIPSE PE420BU

**AFTER EVERY WEEK, ENSURE
THAT YOU COMPLETE THE
FOLLOWING 4 STEPS**

1.

Remove Pad and inspect Pad & Belts for wear/damage, refer to manual for details.

2.

Check Air Filter for debris. (Undo the 2 plastic knobs to remove the Filter cover).

3.

Check Gas Bottle for level and damage/rust. (Swap-a-bottle every year or so can ensure that you have a good condition bottle all the time).

4.

Inspect gas connections for damage or abrasions. Get damaged parts replaced by your technician.
