

# ServoKeeper Systems

There are three models within this range:-

## SKAT-15

This comprises the central SKAT module with its:-

- Large wheels
- Structurofoam chassis
- Full width central storage zone
- 3 Tray drawer unit
- Integrated night cover

## SKAT-16

All the features and specification of the SKAT-15 but with an added single 100-litre folding laundry bag extension to the right-hand end.

## SKAT-17

A full SKAT-16 specification with the addition of a second 100-litre folding laundry bag extension to the left-hand end.

SKAT17 in Nite Mode

SKAT15

SKAT17

## ServoKeeper Laundry Range...

With the introduction of our new lidded laundry/linen trolley range we are also able to provide the SKAT-16 and SKAT-17 with lidded and washable linen bag systems which may prove more appropriate in the servicing of accommodation in hospitals, care homes, etc:-

## SKAT-16/LL

Single lidded linen unit

## SKAT-17/LL

Twin lidded linen unit

The new LL (Lidded Linen) units are also available for the SKAT-11, 12, 16, 17, 21 and 22 models.
