

# TwinTec Battery *50% More Capacity for bigger areas*

## Easy-to-use controls combined with professional cleaning.

The 55cm (20") size of TwinTec is becoming more and more popular and, in support of this, we have introduced two new models with 60 litre capacity, a 50% increase over the 40 litre models and available in both traction and non-traction specifications.

Both models of TTB6055 have 60 litre capacity and a 55cm (20") single brush scrubbing path, dual brush pressure selection, built in battery charging, easy fill and easy emptying facilities, with added traction power drive for the 6055T model which would be essential if inclines or ramps are involved.

TTB6055

Model	Brush Motor	Vac Motor	Power	Run Time	Recharge Time	Pad/Brush Width	Capacity	Weight	Drive Speed	Brush Speed	Dimensions WxLxH
TTB6055	400W	400W	2x12V (24V 100Ah)	2.25Hrs	3-4hrs	500/550mm	60L	158kg	-	100rpm	550x1280x1160mm
TTB6055/T									4.2kph

Plug-in charger system

Flexifill 1m filling hose

- **Simple Operator Controls**  
Soft touch Nutronic control panel.
- **Traction Drive System**  
Makes the cleaning of inclines safer and easier (TTB6055T).
- **On Board Charging**  
Convenient and easy, just plug and go.
- **Full Cleaning Control**  
Individual speed and water flow rate settings for full control.
- **Flexifill System**  
Easy filling and emptying with flexifill system.
- **Fully Sealed Gel Batteries**  
Maintenance-free batteries to ensure the highest standard of operational life.

Easy battery access

Simple to use Nutronic control panel TTB6055 shown

- Security key
- Water flow indicator
- Hi / Lo mode
- Vacuum only mode
- Brush pressure indicator
- Battery life indicator
