

WHITE MAGIC

Microfibre Eraser

Erases Dirt and Grime with Just Water!

- Gentle on Surfaces
- Amazing Cleaning Power
- Minimal Effort
- Chemical Free Cleaning

Made from fibres
10,000 times
finer than human
hair.

The White Magic Microfibre Eraser is an innovative spot cleaning tool that will erase stubborn marks and stains with just water. No sprays or cream cleansers necessary. Simply wet the sponge, erase the mark and wipe away. Constructed out of fibres which are up to 10,000 times finer than a human hair, this amazing sponge will be effective on even the toughest marks where other cleaning methods have failed.

**Perfect for commercial spot
cleaning in restaurants,
schools, hospitals, hotels
and more!**

WET IT. ERASE IT. WIPE IT. ELIMINATE IT.....WITH WHITE MAGIC!
