

# 12 Month Warranty

All iVo machines & equipment come with a 12 month warranty.

This warranty is subject to the products being used as intended, and not subject to misuse. This means that if they have been used for tasks they were not intended for, the warranty may be void.

In the unlikely event that your product seems to have a fault, please contact the iVo distributor where you purchased it, they will be happy to help.

If you would like to submit any feedback direct to iVo, please contact us at [www.ivo-group.com](http://www.ivo-group.com).
