

Compact, considered and capable... the NuKeeper Single series will always be a welcome addition where space is at a real premium.

Every single feature within the NuKeeper Single series (NKS) is focused on efficiency and capacity. Each NKS unit is equipped with space saving Flexi-Front system, folding laundry bags, corner buffers and heavy-duty 360° casters, rising to the challenge of tight corridors and elevators. The NKS Low Level (LL) offers a solution when greater visibility during transit is needed.

Folding bag ends and heavy duty construction

Flexi-Front enclosure

Easily detachable laundry bags

NKS1LL
