

Product Data Sheet

Product Code: EV

Issued: July 2, 2012

What is Everfresh?

EVERFRESH is a concentrated liquid formulated for neutralising and removing bad odours from carpets.

Key Benefits

- ✓ EVERFRESH is biodegradable.
- ✓ EVERFRESH contains no cationics or alkalis, so it is safe to use on wool carpets and on stain-resistant carpets.

How Does It Work?

EVERFRESH contains unique deodorising oils and germ-killing, mouldicidal agents which launch a two-pronged attack to destroy the odour source, remove any lingering bad smells and leave a pleasant spice perfume.

EVERFRESH contains no cationic quaternary ammonium compounds and its pH is below 9, so it is ideal for use on stain-resistant carpets where ordinary deodorisers cannot be used.

For Use On...

EVERFRESH is a concentrated liquid formulated for neutralising and eliminating bad odours in carpets caused by smoke, vomit, urine, perspiration, spoiled foodstuffs and other spillages. It is also very effective in overpowering odours that are caused by carpet wetness, mildew and mould.

Technical Data

Composition

EVERFRESH contains a low-toxicity dialdehyde germicidal and mouldicidal agent together with spice perfume oils and nonionic detergent compounds. EVERFRESH is water-based product.

Properties

COLOUR – Light green liquid
ODOUR – Spice perfume
SOLUBILITY – Miscible with water in all proportions
pH = 5.0 ± 0.5
FLASH POINT – None

Environmental Care

EVERFRESH conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. EVERFRESH is non-flammable, phosphate-free and biodegradable. EVERFRESH containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".
First Certified: 30 April 1996
SAI Certificate No.: QEC7358

Application

- Dilute 1 part EVERFRESH with 10 parts of water and spray into all those areas of carpet which have a bad odour.
- Allow to activate for 10 minutes then extract with CITRUS EXTRA or EXIT extraction detergent.
- For odours that originate in the carpet backing, inject neat EVERFRESH into the backing and allow to dry.

Available in: 5L
